Canadian Rockies & Glacier National Park

DAY 1: ARRIVE CALGARY

Arrive in Calgary, meet your Tour Director and transfer to your hotel. Tonight enjoy a Welcome Dinner with fellow travelers.

📍 (D) Overnight: Calgary

DAY 2: BUFFALO JUMP - GLACIER NATIONAL PARK

Today travel south and visit Head-Smashed-In Buffalo Jump. The interpretive center is a UNESCO World Heritage Site and bears witness to a custom practiced by native people of the North American plains for nearly 6000 years. Later enter Waterton Lakes National Park and see the historic and spectacularly situated Prince of Wales Hotel. Travel across the border into Montana and Glacier National Park. The isolated location of the park leads to fewer visitors during the summer season, making it a haven for some of the world's endangered species such as the gray wolf and grizzly bear. Stay in the park and enjoy dinner this evening.

📍 (B,D) Overnight: Glacier National Park

DAY 3: GLACIER NATIONAL PARK - KALISPELL/WHITEFISH

This morning our destination is the heart of Glacier National Park, the Crown of the Continent. The excitement begins as you board a 1930's Red Jammer Touring Car* for a ride over the Going-to-the-Sun Highway, acclaimed as one of the most beautiful roadways in the world. The 52-mile journey crosses the Continental Divide through Logan Arns at an elevation of 6,680 feet and includes the Weeping Wall and Birdwoman Falls along with many spectacular mountain vistas. We'll stop at Lake McDonald for lunch on your own. Continue onto the Kalispell/Whitefish area of Montana for an overnight stay.

📍 (B) Overnight: Kalispell/Whitefish Area

DAY 4: KOOTENAY NATIONAL PARK - BANFF

Head north through British Columbia along the western slope of the Canadian Rockies, into the heart of Canada's great timberlands and Kootenay National Park. See the bright red walls of Sinclair Canyon and travel through Radium Hot Springs. Arrive in Banff for a three-night stay in the heart of the Canadian Rockies.

📍 (B) Overnight: Banff

DAY 5: BANFF - ICEFIELDS PARKWAY

This morning travel north along much of the Icefields Parkway, situated between Lake Louise and Jasper, and considered one of the most scenic highways in the world. See a panorama of snowcapped mountain peaks, hanging glaciers, waterfalls, canyons and often wildlife such as moose, big-horn sheep and bear. Scale Bow Pass with a stop to see turquoise blue Peyto Lake. Then ride in the specially designed Ice Explorer on the 1000 foot-thick Athabasca Glacier, part of the Columbia Icefield. The experience features a guided tour of the glacier and engaging commentary about glaciers, the local ecosystem, and environmental changes. Return to Banff for an evening on your own in the lively yet quaint downtown area on Banff Ave.

📍 (B) Overnight: Banff

DAY 6: LAKE LOUISE & BANFF TOUR - BANFF GONDOLA

Today see two of the crown jewels of the Canadian Rockies: Moraine Lake & Lake Louise. First stop to view spectacular Moraine Lake and the Valley of the Ten Peaks. Next stop at the Chateau Lake Louise to explore and capture spectacular views and photos of Lake Louise & Victoria Glacier. Later enjoy a Banff Area Tour including Mt. Rundle, Bow Falls, Tunnel Mountain and the Hoodoos. Cap off another scenery filled day with a ride to the summit of Sulphur Mountain via the Banff Gondola. From the summit see six stunning mountain ranges and the sweeping Bow Valley before you, the views are nothing short of breathtaking. Tonight enjoy a memorable Farewell Dinner in the Banff area at a local restaurant with your fellow travelers.

📍 (B,D) Overnight: Banff

DAY 7: BANFF - CALGARY - FLIGHT HOME

Today transfer to Calgary and fly home filled with wonderful memories of the Canadian Rockies & Glacier National Park.

📍 (B)

*For some June departures, the Going-to-the-Sun Highway may not be accessible for travel due to the amount of snow on the highway and an alternate field trip or route will be substituted in Glacier National Park.
